Overview & Managing Director's Message

Welcome to Enviro Care India Pvt Ltd. Since 2000, we have worked to create a cleaner environment across the region. Today, we serve more than 2,000 industries in South India.
Over 27 years, we have completed hundreds of projects across diverse sectors. This experience has helped us build a strong knowledge base and deliver solutions tailored to our clients' needs.
The environmental sector is evolving rapidly in India and around the world. New legislation on environmental liability makes our work increasingly relevant and guides how we continue to develop our services.

-Prof. Dr. S. Rajamohan

Vision

To emerge as a leading environmental solutions partner, transforming environmental challenges into sustainable solutions for a better tomorrow.

Mission

To deliver reliable, cost-effective and sustainable environmental solutions through innovative engineering, quality products, timely execution and dedicated after-sales service, while creating long-term value for our customers, employees and society.

Core Values

- ***Accountability*** *– We take ownership of our actions, commitments and results*
- ***Belonging*** *– We create an inclusive environment where everyone feels valued and respected*
- ***Customer Focus*** *– We put our customers at the heart of every decision*
- ***Diligence*** *- Thoroughness in all our process*
- ***Empowerment*** *– Building an organization that runs on process, not just individuals*

Our Promise

To every client, the EIA Team at Enviro Care India Pvt Ltd promises clear advice, sound technical work, and dependable support from environmental clearance process through approval and compliance. We understand your goals, anticipate environmental requirements, and deliver practical solutions with integrity and care in all our services.

Certificate No.: NABET/EIA/24-27/RA 0406

Prof (Dr) Varinder S Kanwar (CEO - NABET)

We are glad to share that Enviro Care India Private Limited successfully obtained the CRZ Clearance for the iconic Glass Bridge connecting the Thiruvalluvar Statue and Vivekananda Rock Memorial at Kanyakumari.

Environmental Clearance:

For Metallurgical Industries (Ferrous only), Pesticides Industry & Pesticide Specific Intermediates, Synthetic Organic Chemical Industry, Distilleries, Pulp and Paper Industry, Ports, Harbours, Breakwaters and Dredging, CETP's, Building and Construction projects, Colleges, Airports, Thermal Power Plants, Mining of Minerals etc.

CRZ (Coastal Regulation Zone) Clearance:

For Resorts, Fish Landing Centre, River trailing wall and any other construction works in the coastal zone. We facilitate coordination of CRZ maps and supporting studies, application documentation, and responses to regulatory queries.

Environmental Auditing:

Our audits aims to examine environmental practices, monitoring records, pollution control measures, and compliance commitments. We provide clear findings and practical recommendations to help facilities improve their performance and contribute sustainably to the environment.

Extended Producer Responsibility (EPR):

We get businesses registered for EPR and make them understand applicable EPR obligations, data compilation, record keeping, and reporting for relevant waste streams.

Import & Export License for Hazardous Waste:

We get license with waste classification, review of applicable import or export requirements, preparation of supporting documents, and coordination of permission applications for eligible waste movements.
