ABOUT US

An Environmental Consultancy Partner for Your Industry.

Enviro Care India Pvt. Ltd. is a leading environmental consulting and engineering company, delivering innovative and sustainable environmental solutions to industries across India.

Founded by **Prof. Dr. S. Rajamohan, B.E. (Civil), M.E. (Environ.), Ph.D.,** an eminent environmental scientist and former professor at a reputed engineering college in Tamil Nadu.

Our Foundation

- Scientific excellence
- Technical expertise
- Environmental stewardship
- **27 years** of experience
- Trusted clientele of **5,000+** industries across South India

OUR KEY STRENGTH

- **Experienced Environmental Engineers & Certified ESG Professionals** delivering practical solutions that strengthen compliance and sustainability.
- **Expertise in regulatory compliance and industry best practices** to reduce environmental and operational risks.
- **Focus on resource optimization and sustainable technologies** to improve efficiency and lower environmental impact.
- **Committed to creating long-term business value** for our clients through innovative and practical solutions.

Our Journey

Since 2000, Enviro Care India has been providing expert **environmental consultancy and SPCB clearance services** to industries. Over the past five years, we have supported industries in obtaining **statutory clearances**. In 2025, we expanded our services to **environmental auditing and ESG strategy & reporting**, helping industries strengthen compliance, improve environmental performance, and achieve sustainable growth.
